Explore the Majestic Danakil Depression Desert
3 Nights 4 Days from Semera

Day 1: Fly Addis Ababa Semera
Semera - Dalol - Lake Assal

We will start our journey early in the morning from Semera and head towards the otherworldly Dalol region. Marvel at the vibrant and surreal landscapes, with bubbling sulfur springs, colorful mineral deposits, and salt formations. We will then continue our journey to the stunning Lake Assal, known for its shimmering turquoise waters. Enjoy a relaxing swim and take in the beauty of this unique natural wonder. In the evening, **we will set up camp and enjoy a delicious traditional dinner under the starry sky.**

Day 2: Dallol - Erta Ale Volcano

After breakfast, we will visit the Dallol volcano, famous for its hydrothermal fields and multicolored hot springs. Be prepared to be amazed by the kaleidoscope of colors and the otherworldly atmosphere of this geological wonder. In the afternoon, we will continue our adventure towards the Erta Ale volcano, known for its active lava lake. We will hike to the top and witness the mesmerizing spectacle of molten lava illuminating the night sky. **Overnight camping near the volcano.**
